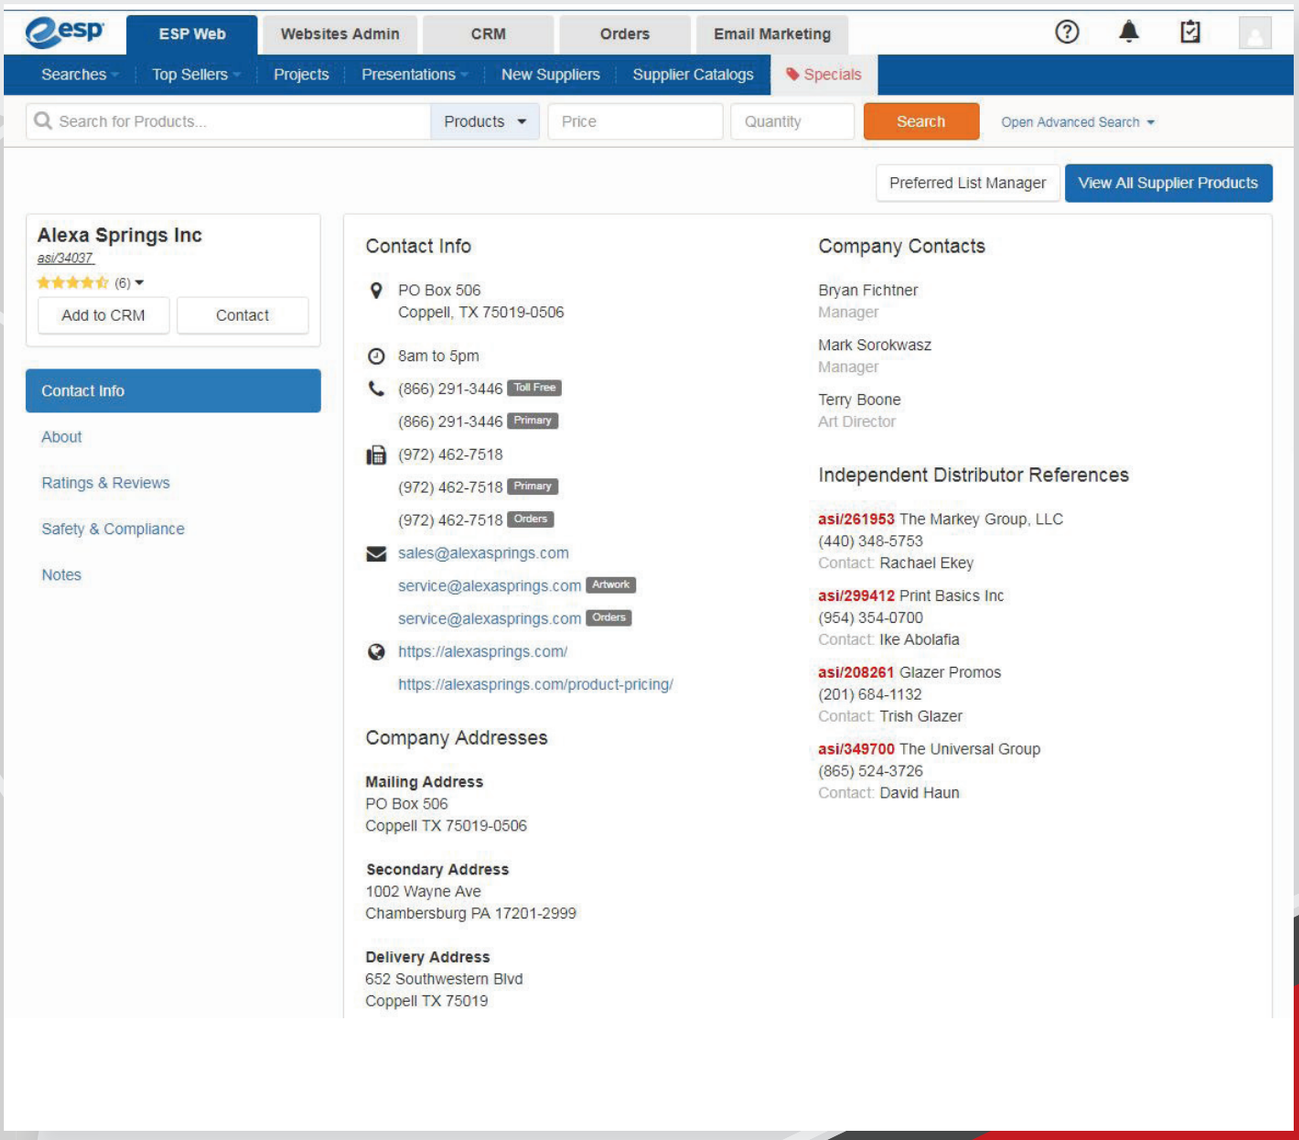
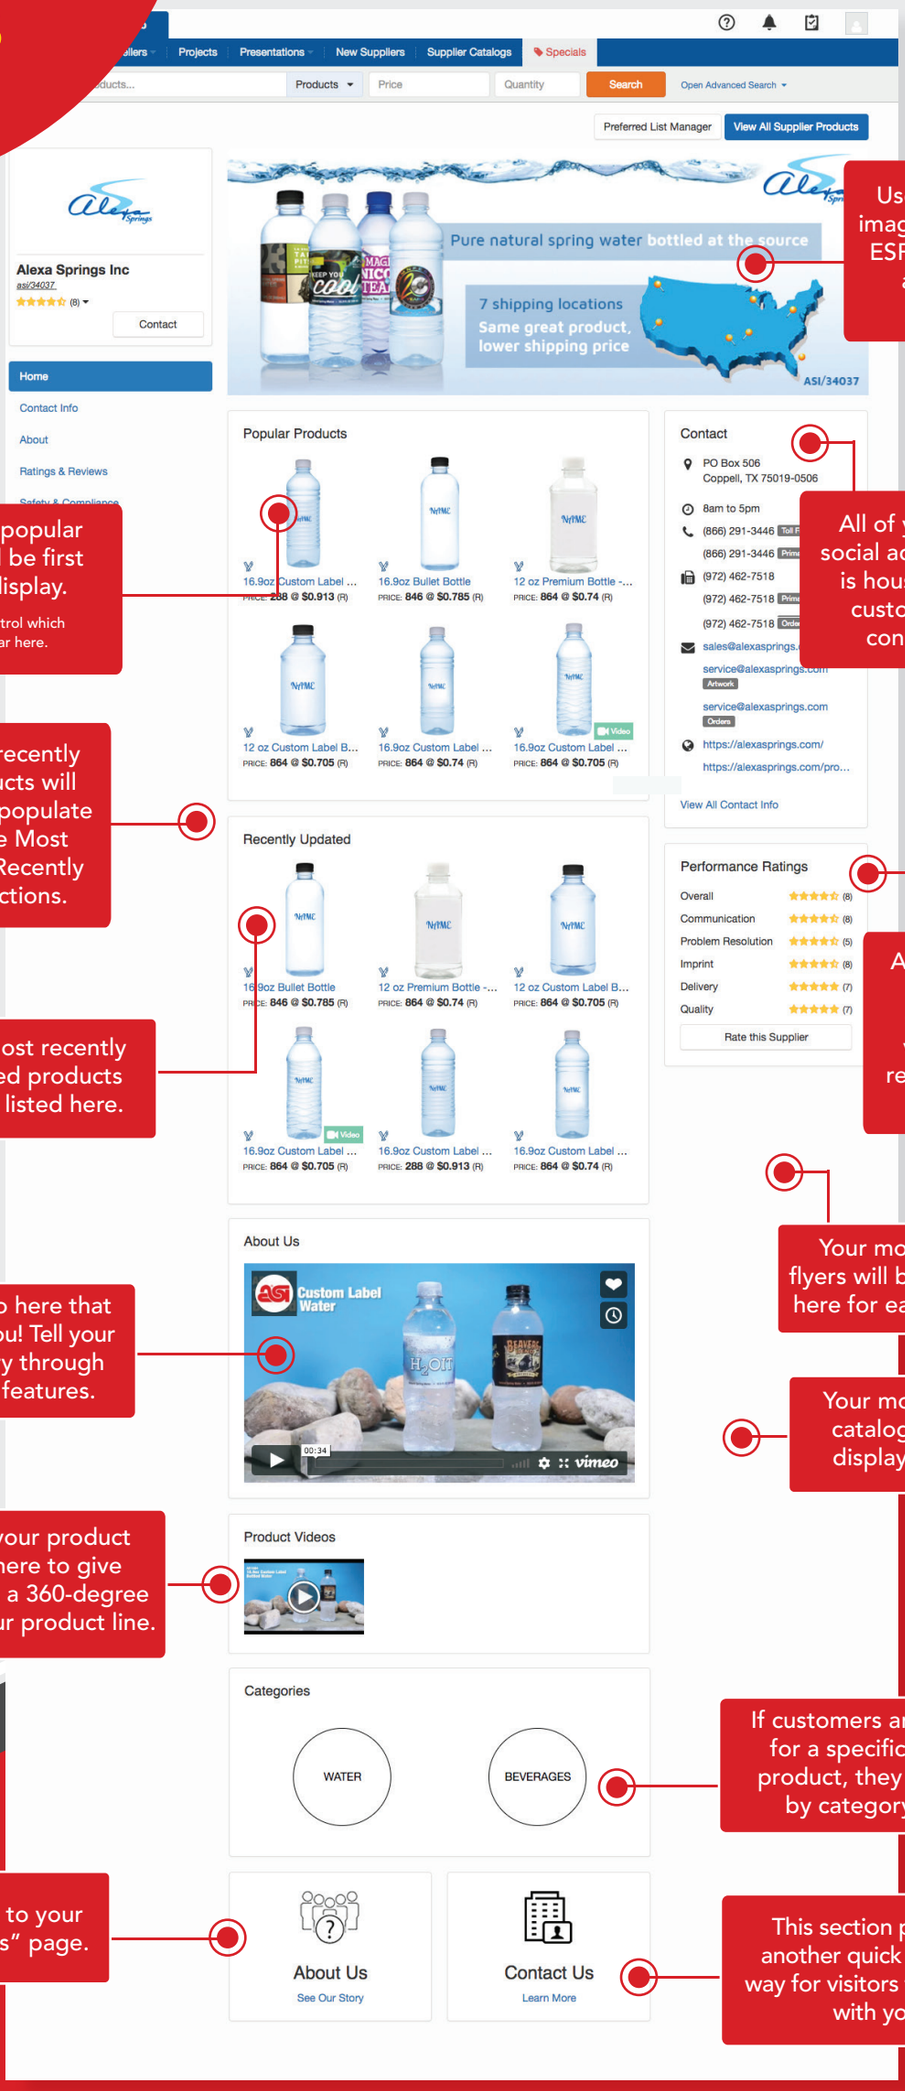
BEFORE:
SUPPLIER DETAIL PAGE



AFTER: SUPPLIER STORES



Use the main banner image to link to another ESP® page – maybe to a certain special you're running!

Your 9 most popular products will be first in line for display.

Suppliers can control which products appear here.

All of your contact and social account information is housed here so your customers can easily connect with you.

Your 9 most recently added products will automatically populate between the Most Popular and Recently Updated sections.

Your most recently updated products will be listed here.

All of your ratings appear here to show you are a valued and well respected supplier company.

Your most recent flyers will be displayed here for easy viewing.

Place a video here that is all about you! Tell your brand's story through interactive features.

Your most recent catalogs will be displayed here.

Display your product videos here to give customers a 360-degree view of your product line.

If customers are looking for a specific type of product, they can filter by category here.

This links to your "About Us" page.

This section provides another quick and easy way for visitors to connect with you.
