

Product Videos From ASI[®] Creative Labs

Help your brand stand out with a product video. A streamlined turnkey process makes it easy to create and share videos. Allow our experts to provide an up-close view of your product, highlight features and benefits and provide sales tips to help distributors better sell your product.

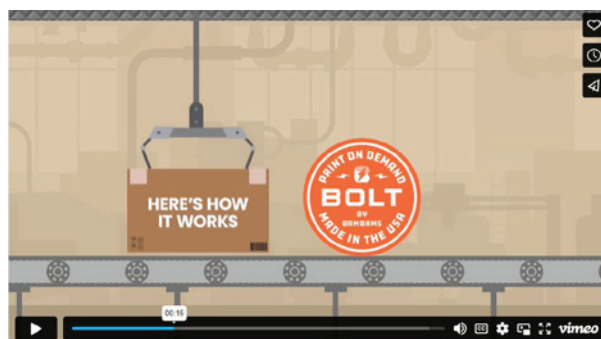

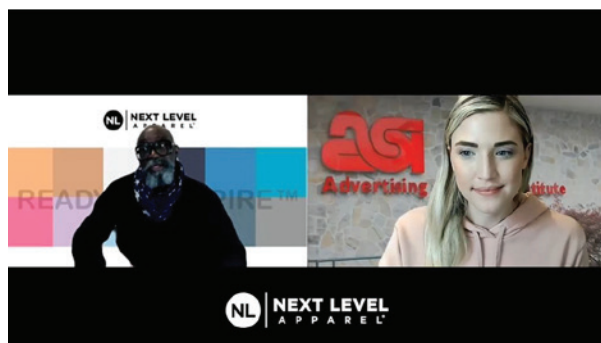

- ▶ **Build trust.** Allow customers to see all the tangible aspects of your products and provide a virtual demo.
- ▶ **Inspire** distributors on uses and new ideas they can work into sales pitches, which differentiates your products from similar ones in ESP[®].
- ▶ Create **long-term investment** and sales tools you can use repeatedly.
